However, if a team captain elects for strategic reasons after their first contest to forfeit an event, the team will receive points for their respective place of finish. Team captains are responsible for their players’ presence at assigned contests by the starting time. GAME TIME IS FORFEIT TIME.

Protests will be resolved by the Intramural supervisors and Tom Soria, Associate Director of Recreational Sports.
3. The opposing team can not resume a play in which to avoid the protest being made by the other team.
4. Referees shall not resume play once notified of a protest and it is ruled by an Intramural Supervisor on duty.
5. If IM Supervisors ruling is not satisfactory to the captain, it will be ruled by Tom Soria, Associate Director of Recreational Sports.

The approval of a medical professional to return on the same day or night shall not override this provision.

SPORTSFEST INCLUSION GUIDELINES AND POLICIES
SportsFest empowers students to participate in sports divisions based on their expressed gender identity, regardless of any medical treatment. Students may contact the Assistant Director of Intramural Sports for more information.

SportsFest will sustain its spirit of competition and will be safeguarded from teams or individuals who might consider misrepresenting their gender identity in an attempt to gain unfair competitive advantages.

If a person is found participating for two or more teams, that person may be eliminated for the remainder of the competition. The SportFest Committee will rule on this issue on an individual basis. Points will count only for the first team for which a player participates. Every player on the roster must play in at least one event or the team will be penalized 100 points per player not playing. Each player must wear their team’s shirt at all times during games.

The run will have areas for each college reps to run with the torch and end at the Student Activities Stage by the UC Pool for opening ceremonies. The main caldron will be lit for the entire weekend and extinguished at closing ceremonies. The final leg of the run will be made by last year’s champion.

Opening ceremonies and pep rally will begin promptly after the torch run at 9 p.m., at the Student Activities Stage by the UC Pool. Teams from each area are requested to meet in the lobbies of their colleges and proceed to the torch run as an entire college. Your participation in the opening ceremonies will make this a very exciting part of the entire program. Enthusiasm from teams and residential areas will be noted for scoring of the sportsmanship & spirit awards. Each college will have their own theme music played while the committee members introduce their teams (Wellness Center Main Gym will be rain out location.)

**CLOSING CEREMONIES**

The awards ceremony will begin immediately after the tug-of-war competition on Sunday on the IM Fields. During closing ceremonies, awards will be presented to the first, second, and third place teams in the men’s and women’s divisions. The Faculty in Residences’ trophy will be presented to the Faculty in Residence, Residence Coordinator, Team Captains, and Sports Fest Committee representatives from the winning college. Sportsmanship & spirit awards will be voted on by the student committee and presented with prizes to the men and women’s teams that display the most sportsmanship and the ones that show the best spirit throughout the competition.
SCORING SYSTEM

The scoring system will determine (1) the overall college winner, (2) the first, second, and third place teams in both the men’s and women’s division, (3) the winning team in each event, (4) winning team (male and female) for sportsmanship and spirit will also be selected by vote of the SportsFest Student Committee.

The overall male and female team champions are the two teams who score the most points. The overall college ranks will be based on the formula below for the total college championship score.

College Average + (Overall College’s Average Score x Participation%) = Overall Score

**College average** is calculated by finding the sum of the scores of each individual team within a college added with the volunteer bonus of 100 points.

**Overall college average score** will be based on the sum of all the college’s averages then divided by the number of Residential Colleges that participated.

In each of the bracketed sports, teams will be scored per their place of finish. The first place team will receive 100 points, the second place team 90 points, third and fourth 75 points, and fifth through eighth will receive 45 points. Teams losing in the first round will receive 5 participation points and the winning team will receive 10 points. Teams losing in the second round will remain at 10 points and the second round winning teams will receive 15 points. This process will continue as needed until the final eight teams remain.

In all of the other sports, teams will be scored on a sliding scale of 100 points. The first place team will receive 100 points, the second place team will receive 90 points, and third place 80… and the ninth place team 20 points. All other teams who complete the event receive 10 points.

AWARDS

Team members from the first, second and third place individual teams will be presented with these awards at closing ceremonies:

1\textsuperscript{st} - ADIDAS Pullover  
2\textsuperscript{nd} - ADIDAS Track Pants  
3\textsuperscript{rd} - ADIDAS Duffel Bag

Each of the event winners will also be recognized and given engraved glasses. Only the maximum participant number will be given for winning an event. A circulating trophy will be presented to the Faculty in Residence, Area Director, Team Captains, and SportsFest Representatives from the winning college. This trophy will be displayed for the entire year in the winning college. The Dr. William R. Butler SportsFest plaque will be displayed at the Wellness Center with the champions.
SUGGESTIONS FOR TEAM CAPTAINS

1. Make sure that you have enough members on your team to compete in all the events.
2. Attend all required meetings.
3. Appoint a team co-captain to assist with your team and event captains for each sport.
4. Be organized and know exactly who is participating in what event and at what time.
5. Remember, all events are scored equally, so try to get as many people involved as you can.
6. Make sure all players get to their events on time because GAME TIME IS FORFEIT TIME, NO EXCEPTIONS!!
7. Understand the point system.
8. Make sure your team gives the utmost respect to supervisors, all officials, and volunteers.
9. All activities held inside of the Wellness Center require non-marking shoes, and a valid Cane Card.
SPORTSMANSHIP

In an effort to increase the emphasis on sportsmanship of Sports Fest competition, teams showing repeatedly poor sportsmanship may, at the discretion of the Faculty in Residence or AD, be withdrawn from competition. Throughout the competition, the supervisors of the events will give any and all sportsmanship complaints directly to Tom Soria. Tom Soria will report repeated or egregious complaints to a Faculty in Residence, Associate Faculty in Residence, or AD from the appropriate Residential College. The faculty member or AD will meet with the team involved.

In the event of egregious unsportsmanlike conduct, the Faculty or AD for the area will withdraw the team from the SportsFest competition. Should a team be withdrawn from the competition, the team/college will keep all points earned but will be withdrawn from all future events and will be ineligible to win first, second, or third place, as well as the Sportsmanship or Spirit Awards.

Teams scheduled to play the withdrawn team in the first round of any event will automatically receive a "BYE" and will receive 10 points (5 for participating, 5 as though they had won their first round game) just like any other first-round winner. A withdrawn team will still count toward a college's participation points, as the goal is not to be punitive but rather to proactively avoid further issues with the team.

It is necessary for the successful operation of the program that individuals and teams display proper conduct in all instances. The following may be considered as evidence of unsportsmanlike conduct:
1. Fighting
2. Profanity
3. Unnecessary delay of game
4. Shoving or striking another participant
5. Arguing with the officials or supervisors
6. Abusive language or remarks to anyone

If a player is ejected from any event, he/she also may be ejected from the remainder of the SportsFest.

The Residential Areas are committed to supporting sportsmanship, integrity, and healthy competition. To this end, it is important that all SportsFest team names and banners are reflective of that spirit.

The Residential Halls has formed a committee that will approve all team names and shirt designs to help avoid any issues prior to SportsFest.

Reminder: All rules serve as an addendum to the Intramural/Special Events Rules which can be found on our web site: www.miami.edu/wellness/intramurals

All SportsFest rules and time frames are subject to change by the on-site IM supervisor or IM staff if necessary. The SportsFest staff (supervisors, officials, committee, etc.) has the right to end a game if bad behavior is exhibited. Officials are students like you that are giving up their free time to run this event, so give them the respect they deserve!
